**RE: JUNE 2019 QUARTERLY ACTIVITIES REPORT**

The activities of AuKing Mining Limited (“AuKing” or “AKN”) during the three months to 30 June 2019 were as follows:

**Acquisition Activities**

The AKN Board continues to work closely with JCHX Group in the ongoing assessment and acquisition of new project opportunities – not just limited to copper projects but also gold and other metals. The Board continues to hold a view that the improving commodities market remain suitable for business development and acquisition activities.

In particular, the Board of AKN is seeking to advance a potentially significant transaction opportunity which could lead to early cashflows. Further news about this and potentially other activities will be made available to the market as soon as possible.

**Exploration Activities**

No exploration was carried out by AKN during the period.

**Exploration Expenditure for June 2019 Quarter**

Nil exploration expenditure was incurred for the June 2019 Quarter.

**Corporate Update**

### **Financial Position**

Together with the JCHX Group loan (referred to above) and their ongoing support AKN should have sufficient funding to carry out project assessment review and transaction activities for the immediate future. However, it remains the intention of the AKN Board to carry out an additional fundraising during the latter part of 2019, depending on market conditions and the current status of AKN's activities. Details of any future fundraising will be provided to shareholders and the market at the first available opportunity.

Further details of AKN's financial activities during the June 2019 quarter are set out in the Appendix 5B Quarterly Cashflow Statement which accompanies this Report.
