## DIRECTORS' REPORT

Your directors present their report on China Yunnan Copper Australia Ltd for the half-year ended 31 December 2009.

#### Directors

The names of persons who were directors of China Yunnan Copper Australia Ltd, during the whole of the halfyear and up to the date of this report, unless otherwise stated, are:

Norman Zillman (Co Chairman)Liang Zhong (Co Chairman)Jason Beckton (Managing Director)Zewen Yang (Executive Director)Mark Elliott (resigned 23 November 2009)Chao Yang (former Co Chairman, resigned 23 November 2009)

#### **Review of Operations**

China Yunnan Copper Australia Limited ('CYU' or 'Company') is an Australian company formed to explore for and develop minerals in Australia and overseas. Cornerstone investor China Yunnan Copper (Australia) Investment & Development Co. Ltd, who hold a 21% interest, is a subsidiary of Yunnan Copper Industry (Group) Co Ltd which is China's third largest copper producer and their largest silver and bismuth producer.

For the half year ended 31 December 2009 the Company made a loss of \$1,302,313 (2008: \$454,113).

#### Project Generation and Review

CYU has goals of resource definition and development for its three target commodities Copper, Gold and Uranium and to achieve this is targeting high quality copper, gold and uranium projects in the Mt Isa Inlier, Ravenswood-Pentland province and the Clermont Inlier in Queensland. CYU is farming into the Mary Kathleen Project in Mt Isa with Goldsearch Limited and the Pentland Gold Project with ActivEX Limited. A Memorandum of Understanding for Project generation in Yunnan Province, China with cornerstone investor YCI has been signed. CYU has recently entered into Purchase Agreements for the Humitos Copper Porphyry property in the Copiapo District of northern Chile and for the Uranium Project Waterford in North Queensland.

The Company's strategy is of project generation of exploration assets while reviewing for acquisition operating projects that comprise high quality copper, gold and uranium projects. The exploration strategy has been justified with drilling success at the Gem project and at the Mary Kathleen Joint Venture at the Elaine Dorothy U REE prospect. The company has reviewed in detail all of the tenements that were held at the time of the original IPO in November 2007 and has retained those tenements on which exploration success has been achieved or that remain prospective with further work to be undertaken. Tenements that were considered to have limited or no prospectivity have been relinquished.

#### Cloncurry North

2009 drilling results confirmed intrusive style of copper mineralization at the Gem prospect. A 2,600 metre RC drilling program with the aim of defining an initial inferred resource is now underway.

#### <u>Mt Isa</u>

In late 2009 diamond drilling at the Elaine Dorothy uranium exploration target, one of the Mary Kathleen Joint Venture prospect targets considered prospective for uranium and rare earth elements (REE), was successful. CYU has commissioned an independent resource estimate to quantify grade distribution of not only  $U_3O_8$  but also REE.

#### Pentland

Gold exploration is entering a new phase with the Purchase Agreement for the Stanley's Hope mining lease and the Joint Venture with ActivEX Ltd both in the Pentland district. Drill testing is planned to commence on both projects in the current quarter.

#### Capital Raising

The company completed a fully underwritten rights issue in October 2009. The rights issue comprised a 2 for 5 offer at 15 cents and raised a total of \$4.65 million (before issue costs).

#### Auditors Independence Declaration

The auditor's independence declaration under section 307C of the Corporations Act 2001 is set out on page 4 for the half-year ended 31 December 2009.

This report is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

Jason Beckton Managing Director

Brisbane Date: 12 March 2010

### Auditors Independence Declaration under Section 307C of the Corporations Act 2001

To the directors

I declare that, to the best of my knowledge and belief, during the half-year ended 31 December 2009 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the review; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the review.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2009

#### 1. BASIS OF PREPARATION

These general purpose financial statements for the interim half-year reporting period ended 31 December 2009 have been prepared in accordance with requirements of the Corporations Act 2001 and Australian Accounting Standards including AASB 134: Interim Financial Reporting. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of China Yunnan Copper Australia Limited and its controlled entities (the Group). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2009, together with any public announcements made during the half-year.

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements except for the adoption of the following new and revised Accounting Standards.

#### Accounting Standards not Previously Applied

The Group has adopted the following new and revised Australian Accounting Standards issued by the AASB which are mandatory to apply to the current interim period. Disclosures required by these Standards that are deemed material have been included in this financial report on the basis that they represent a significant change in information from that previously made available.

#### Presentation of Financial Statements

AASB 101 prescribes the contents and structure of the financial statements. Changes reflected in this financial report include:

- the replacement of Income Statement with Statement of Comprehensive Income. Items of income and expense not recognised in profit or loss are now disclosed as components of 'other comprehensive income'. In this regard, such items are no longer reflected as equity movements in the Statement of Changes in Equity;
- the adoption of the separate income statement/single statement approach to the presentation of the Statement of Comprehensive Income;
- other financial statements are renamed in accordance with the Standard; and
- presentation of a third Statement of Financial Position as at the beginning of a comparative financial year where relevant amounts have been affected by a retrospective change in accounting policy or material reclassification of items.

#### Operating segments

From 1 January 2009, operating segments are identified and segment information disclosed on the basis of internal reports that are regularly provided to, or reviewed by, the group's chief operating decision maker which, for the Group, is the board of directors. In this regard, such information is provided using different measures to those used in preparing the Statement of Comprehensive Income and Statement of Financial Position. Reconciliations of such management information to the statutory information contained in the interim financial report have been included.

As a result of the adoption of the revised AASB 8, certain cash generating units have been redefined having regard to the requirements in AASB 136: Impairment of Assets.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2009

#### 1 BASIS OF PREPARATION (continued)

#### Business Combinations and Consolidation Procedures

Revised AASB 3 is applicable prospectively from 1 July 2009. Changes introduced by this Standard, or as a consequence of amendments to other Standards relating to business combinations which are expected to affect the Group, include the following:

- All business combinations, including those involving entities under common control, are accounted for by
  applying the acquisition method which prohibits the recognition of contingent liabilities of the acquiree at
  acquisition date that do not meet the definition of a liability. Costs incurred that relate to the business
  combination are expensed instead of comprising part of the goodwill acquired on consolidation. Changes in
  the fair value of contingent consideration payable are not regarded as measurement period adjustments
  and are recognised through profit or loss unless the change relates to circumstances which existed at
  acquisition date.
- Unrecognised deferred tax assets of the acquiree may be subsequently realised within 12 months of acquisition date on the basis of facts and circumstances existing at acquisition date with a consequential reduction in goodwill. All other deferred tax assets subsequently recognised are accounted for through profit or loss.
- The proportionate interest in losses attributable to non-controlling interests is assigned to non-controlling interests irrespective of whether this results in a deficit balance. Previously, losses causing a deficit to non-controlling interests were allocated to the parent entity.
- Where control of a subsidiary is lost, the balance of the remaining investment account shall be remeasured to fair value at the date that control is lost.

### 2. SEGMENT INFORMATION

#### (a) Identification of reportable segments

The group has identified that it has only has one operating segment based on the internal reports that are reviewed and used by the board of directors (chief operating decision makers) in assessing performance and determining the allocation of resources. The group undertakes exploration and evaluation activities in the mineral resources industry in Australia.

#### (b) Description of reportable segments

#### Mineral exploration in Australia

The group undertakes exploration and evaluation of mineral resources in Australia. No revenue from this activity has been earned to date as the Company is still in the exploration and evaluation stage.

#### Basis of accounting for purposes of reporting by operating segments

#### Accounting policies adopted

Unless stated otherwise, all amounts reported to the Board of Directors as the chief decision maker with respect to operating segments are determined in accordance with accounting policies that are consistent to those adopted in the annual financial statements of the Group. *Unallocated items* 

The following items of revenue, expense, assets and liabilities are not allocated to operating segments as they are not considered part of the core operations of any segment:

- impairment of assets and other non-recurring items of revenue or expense;
- income tax expense;
- deferred tax assets and liabilities;
- intangible assets; and
- discontinuing operations.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2009

### 2. SEGMENT INFORMATION (continued)

Comparative information

This is the first reporting period in which AASB 8: Operating Segments has been adopted. Comparative information has been restated to conform to the requirements of the Standard.

### (i) Segment performance

	Mineral Exploration in Australia

## **DECLARATION BY DIRECTORS**

The directors of the Company declare that:

- 1. The financial statements and notes, as set out on pages 6 to 12:
  - (a) comply with Australian Equivalents to International Reporting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations; and
  - (b) give a true and fair view of the consolidated entity's financial position as at 31 December 2009 and of its performance for the half-year ended on that date.
- 2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Jason Beckton Director

Brisbane Date: 12 March 2010

### **INDEPENDENT AUDITORS' REVIEW REPORT**

To the members of China Yunnan Copper Australia Limited

### **Report on the Financial Report**

We have reviewed the accompanying half-year financial report of China Yunnan Copper Australia Limited and controlled entities that comprises the statement of financial position as at 31 December 2009, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies, other selected explanatory notes and the directors' declaration of the company

### Directors' Responsibility for the Half-Year Financial Report

The Directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of China Yunnan Copper Australia Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Liability limited by a scheme approved under Professional Standards Legislation other than for the acts or omissions of financial services.

### Independence

In conducting our review, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of China Yunnan Copper Australia Limited is not in accordance with the Corporations Act 2001 including:

- (a) giving a true and fair view of the company's financial position as at
   31 December 2009 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.
