**RE: SHORT-TERM CONVERTIBLE NOTE ISSUE**

Please find attached details of the terms and conditions relating to the issue of 230,000 convertible notes in the Company at an issue price of \$1 per note to private sophisticated investors.

When combined with the notes recently issued on the same terms (see ASX release dated 2 March 2021) the Company has raised a total of \$750,000. A summary of the note terms of issue are as follows:

**Notes term** – 31 December 2021

**Interest payable** – 10% per annum, payable quarterly in arrears

**Convertibility** –

- (a) automatically, on completion of the Company's proposed capital raising, as part of the proposed ASX re-listing of AKN's shares – at an issue price of 12c per share (a 40% discount to the proposed 20c public offer price);
- (b) at the election of the holder, notes may (subject to AKN shareholder approval and prior to maturity) be converted at a 55% discount to the proposed 20c issue price to be offered to the public under the Company's prospectus (namely, 9 cents per share).

The funds raised from the issue of these convertible notes will be used for ongoing operating costs and costs associated with the Koongie Park earn-in agreement and the Company's re-compliance activities including a prospectus capital raising, shareholder meeting and other actions as may be required by ASX.
